SONY

You can make everything quick and easy

The effortless smartphone with superfast 4G and the quality you trust

XPERIA E4g

The *ultra-quick* guide for the super-busy

Want to know more about the simple to set up, easy to use, superfast Sony quality smartphone?

Here goes...

Easy use interface

- Simple Home is an alternative UI that gathers your most used apps onto your home screen and organises the rest in folders
- If you prefer a menu similar to your old feature phone, this version is yours in just 4 clicks

Effortless picture quality

- Auto scene recognition selects the best camera settings from 52 shooting scenarios
- Take the best landscapes in motion, night scenes while walking and backlit portraits
- Share your shots with another smartphone in less than 5 seconds (NFC activated on both devices)

Efficient 2 day battery

- Don't worry about charging with up to 2 days battery life
- Extend to an impressive 7 days in just 3 clicks with Battery STAMINA Mode
